VINEYARDS OF THE RHINE & MOSELLE

9 Nights | 2 nights Amsterdam, Netherlands, 7-night Amsterdam to Wasserbillig, Luxembourg cruise.

Drink in the beauty, history and flavor of the Rhine and Moselle river valleys' iconic vineyards. Begin your journey with a gentle ride through Amsterdam's legendary canals, then head to Cologne where you can whet your palate for the wines ahead by tasting Kölsch beer. As for the vineyards, you'll soar above them by gondola or hike among the grapes in Rüdesheim and sip wines in Bernkastel as well, learning the legend of the Bernkasteler Doctor. And let history come to life at both the Reichsburg and Lahneck castles. Whatever you choose to do ashore, the stories you're told and flavors that grace your palate will surely transform you.

ITINERARY HIGHLIGHTS

BERNKASTEL: HOME OF THE BERNKASTELER DOCTOR

Bernkastel is a storybook town in the Moselle River Valley with a charming story to match. Its renowned vineyard, Bernkasteler Doctor, was named after a 14th-century winegrower whose medical experience was nil. Rather, he was a humble man who, upon hearing the Elector of Trier had fallen ill at Landshut Castle, brought him his finest wine, claiming it had chased off several of his own maladies. After swallowing some of the natural elixir, the Elector was cured. Thrilled with the result, the Elector proclaimed the vineyard should be known as Bernkasteler Doctor, after the "doctor."

MAINZ: SOMETHING FOR EVERYONE

Founded by the Romans more than 2,000 years ago, Mainz has a rich cultural heritage. During the 15th century, Johannes Gutenberg revolutionized printing by inventing the moveable metal type technique. His legacy lives on at the museum named after him, which includes a copy of the Gutenberg Bible. Mainz is also home to one of Germany's most important Catholic churches, the Romanesque Mainz Cathedral, as well as St. Stephen's Church with its astonishing blue Chagall windows featuring 18 separate shades of blue.
